Press Release – March 2007

## Lazy Magnolia Owners Recognized as Top Business Leaders Under 40

Mark and Leslie Henderson, owners of Lazy Magnolia Brewing Company in Kiln, were recently recognized among the Top Ten Business Leaders under 40. The annual event honoring Mississippi Gulf Coast business and community leaders was held at the IP Casino in Biloxi and was sponsored by the *Sun Herald* and the *Journal of South Mississippi Business*.

Mark and Leslie Henderson were among forty young businessmen and women nominated for their leadership roles in business on the Gulf Coast. This was the first time in the five-year ceremony that a husband and wife team won the award.

Governor Haley Barbour served as the guest speaker for the event. The judges for the awards are former recipients of the honor. The winners will join previous classes permanently featured in the online Roland Weeks Leadership Hall of Fame, which can be viewed by visiting the *Sun Herald's* website at [www.sunherald.com](http://www.sunherald.com).

Lazy Magnolia Brewing Company is Mississippi's first and only packaging microbrewery. Located in Kiln, Lazy Magnolia beer is available throughout the entire state. The brewery offers five standard flavors, as well as a seasonal beer to compliment both the changing seasons and the Southern Palate:

- **Southern Pecan**, the flagship beer, is an International Award Winner, earning a Bronze Medal in this year's World Beer Cup in the Specialty Beer category. Southern Pecan is a Nut Brown Ale brewed with locally-grown pecans. Its sweet, nutty flavor makes it a great beer for dessert.
- **Amberjaque** is another International Award Winner, earning a Bronze Medal in this year's World Beer Cup in the Rye Beer category.
- **Blue Heron** is a wheat beer brewed in the European style with very distinctive spicy flavors and aromas.
- **Par-3** is Lazy Magnolia's light beer, made with a summer round of golf in mind.
- **Indian Summer** is an American Wheat Ale spiced with orange peel and coriander.

Lazy Magnolia offers tours of the brewing facility every Saturday morning at 10:30. More information, including a list of restaurants and grocery stores carrying Lazy Magnolia beers, can be found online at [www.lazymagnolia.com](http://www.lazymagnolia.com).
